This map was generated by the Information Systems Division of the Angelina & Neches River Authority. No claims are made to the accuracy or completeness of the data or to its suitability for a particular use. For more information concerning this map, contact the Information Systems Division at (936) 632-7795.

Sources: The river basins, and portions of the river authority jurisdictions are derived from National Hydrography Dataset 12 Digit Hydrologic Unit Codes. The rivers themselves are derived from National Hydrography Dataset Flowlines. The city and county boundaries are from the Texas StreetMap political boundaries dataset and the ESRI world data 2006 respectively.

Map created January 2011 by the Angelina & Neches River Authority.
