The utility agrees to provide wastewater service to the Customer and the Customer agrees to purchase and receive wastewater service from the Utility in accordance with the rules and regulations of the Utility as included in its approved tariff on file with the Utility and the Texas Natural Resource Conservation Commission.

The connection is for the sole use of the Customer to provide wastewater service to one dwelling, business or property. The Customer shall not share, resell, or submeter wastewater service to any other dwelling, business, property, etc., without the specific written authorization of the Utility and in compliance with applicable laws and regulations.

The Utility has the right to locate a connection and the pipe necessary to make the connection on the property of the customer at a point mutually agreeable to both the Utility and the Customer. The Customer will allow the Utility access at all reasonable times to its property and equipment located upon the Customer's premises for the limited purposes of repairing or replacing exiting facilities and the inspection of Customer's facilities to check for illegal connections or unsafe plumbing practices.

The Customer will install, at his/her own expense, a service line from the sewer connection to the point of use. The Customer will be responsible for maintenance and repair of the service line. The Customer shall hold the Utility harmless from any and all claims or demands for damage to real or personal property occurring from the point the Customer ties on the sewer connection to the final destination of the line installed by the Customer.

The Customer agrees to grant to the Utility an easement/right-of-way for the purpose of installing, maintaining and operating such pipe lines, meters, valves, and any other equipment which may be deemed necessary for the provision of the Utility service to that Customer. The Utility will attempt to restore the Customer's property to its original condition after installation or repairs. This easement may be in such form as is required by the Utility. The Customer agrees not to interfere with the Utility's employees in the discharge of their duties. The Customer will not permit anyone except the Utility's employees to tamp with, or interfere with any of the equipment installed on the Customer's premises.

The Applicant has been shown a copy of the Utility's Texas Natural Resource Conservation Commission approved tariff and agrees to pay the rates in the tariff and abide by the requirements in this application.
